

How do I uninstall "PaperPort®"?

For PaperPort® 6.5/ 8.0SE users

1. From **Control panel**, select **Add/Remove Programs**.
2. Select **Brother Extensions for PaperPort** and remove it.
3. Then select PaperPort.
4. Select **Change. Now**, and Install Shield Wizard screen appears.
5. Select **Next, Remove** and then **Next**.
6. Follow the remaining on-screen instructions.

For PaperPort® 9.0SE users

* Windows® 95/98/98SE/Me/NT 4.0:

1. From **Control panel**, select Add/Remove Programs and the Install/Uninstall tab.
2. Select **PaperPort** from the list and click the Add/Remove button.

*Windows® 2000:

1. From **Control panel**, select Add/Remove Programs.
2. Select **PaperPort** from the list and click the Change/Remove button.

*Windows® XP:

1. From **Control panel**, select Add or Remove Programs.
2. Select **PaperPort** from the list and click the Change or Remove button.
