Save time and money

Super high-yield ink cartridges

With the DCPJ1100DW you get in box ink cartridges that print up to 2,730 pages of black and 1,960 pages of colour. You can rely on this 3-in-1 printer to do its job while you concentrate on yours.

Connect and go

If your office requires a multifunction printer that allows multiple users to connect, quickly and easily, in a variety of different devices, look no further. The DCPJ1100DW offers a built in wireless network and mobile compatibility, so printing on-the-go could not be easier.

Multi-tasking made easy

As well as automatic 2-sided printing, allowing you to save time and the environment, the DCPJ1100DW boasts a 20-page automatic document feeder. You can now load your document and let it scan or copy while you complete other tasks around the office. Effective efficiency at its best.

Smart, yet straightforward

Despite being a true all-rounder with print, copy and scan capabilities, the DCPJ1100DW is designed with the user in mind. With a simple setup process and user-friendly 6.8cm LCD touchscreen to navigate jobs you'll be up and printing in no time, with minimal time lost on what truly matters.

**Print volume estimated as 150 pages / month. Print job 60% black and 40% colour. Black yield 2,730 pages. Colour yield 1,960 pages. Based on 5% coverage.
