Brother strongly recommends the use of genuine Brother consumable products only. Benefits include better quality print, greater yields per consumable, protection of your machine from damages and achievement of optimum performance. As a precaution, please note that your machine warranty may not cover any damages arising from the use of non-genuine consumables.

# SUPERIOR EFFICIENCY TO KICKSTART YOUR BUSINESS.

Empower your business with an outstanding performer that won't let you down. Designed for enhanced productivity and cost-efficiency, the Brother MFCL2713DW mono laser Multi-Function Centre combines wireless and mobile printing, scanning and copying capabilities to deliver office-wide productivity that you can count on.

34ppm print and scan speed

Automatic 2-sided features

Ethernet and wireless networking

## Productivity that goes beyond performance

### Impressive print performance and quality

Count on business-class print and copy speeds of up to 34ppm, fast first-page-out of less than 8.5 seconds, and excellent mono print quality for sharp, clear text, charts and images.

### Expanded paper handling capacity

In a busy workplace, frequent refills of your printer's paper tray can be disruptive. With a 250 sheets default paper tray and 50 sheets Automatic Document Feeder, you can stay productive for longer stretches at a go.

## Award-winning reliability and satisfaction

With over a century of Japanese excellence, Brother's commitment to quality and innovation consistently receives awards for exceptional design, reliability and customer satisfaction, making it the top pick for consumers and businesses around the world.

## Connectivity made simple

### Print and scan conveniently from your mobile devices

Start printing or scanning from your iPhone, iPad, Android™ or Windows® Mobile devices through Brother's iPrint&Scan, Apple AirPrint, Mopria™ and Google Cloud Print.

### Wireless printing and scanning made easy

Print or scan effortlessly from your notebook PC, smartphone, or tablet without the need for wires.

### Wi-Fi Direct enabled

With Wi-Fi Direct compatibility, you can print using the Brother iPrint&Scan app without having to connect to a network or entering any login credentials. This makes it a convenient and secure way of offering temporary printing access to visitors.

## Keep your running costs low

### Cost-efficient toner supplies

Enjoy greater print volumes at lower costs-per-page with high-yield 3,000-page replacement toner cartridges\*.

### Automatic 2-sided printing

With automatic 2-sided printing, you can easily set all print jobs to print on both side of the document unless otherwise stated, cutting down on your costs and paper waste by up to 50%.

### Reduce your energy consumption

Even when your device is turned off, it still consumes energy. The MFCL2713DW uses less energy than less-efficient models to help cut your energy costs.
