Professional A3 inkjet wireless all-in-one printers

brother.co.nz

The office environment is continuously changing and the demand for a printer you can rely on is growing. Not only is the ability to be Wi-Fi connected to multiple devices key, but you also need to print faster with the option to deliver documents in larger paper sizes.

Customise how your printers work for your business with a choice of flexible, professional A3 devices that are built to last and meet the needs or your small office or business workgroup.

Our new and improved range of A3 Inkjet devices offer a host of new features, with high ink cartridge yields available for lower running costs. Fast print output speeds, trouble free printing and much improved paper handling enables these new devices to meet your everyday needs, while delivering professional quality printing.

Increase your print flexibility & speed

Print bigger

Make your documents more memorable by printing them in A3 Size. With full colour A3 print capabilities, your important training materials or presentation documents will stand out helping you obtain interest from the reader. By printing A3 documents in house you have more control over your deadlines and can expand your opportunities.

Flexible and easy to use

They don't come much easier to use than these devices, from set up and wireless connectivity, to daily use. Also, if you're working on large documents these all-in-one devices give you the opportunity to focus on your work while it processes your documents. Whether it's printing double sided automatically, thus saving the environment and paper, using the Automatic Document Feeder for multi-page scanning, or presenting your documents in A3 size, it's sure to improve your efficiency and productivity.

Scanning technology

As all-in-one devices these machines do so much more than print. The scanning opportunities available for example can significantly enhance your productivity from home. You can scan in colour or mono at high speeds to several destinations to boost workflow.

Built to last

You need a device you can rely on. These A3 professional all-in-one devices have been engineered into robust business devices, delivering fast, secure and professional quality to suit the growing needs of your business.

**Redefining
printing
technology**

Powerful next generation, high density printing

Through years of meticulous engineering design, our engineers have worked tirelessly to redefine our inkjet core technology. Striving to create more precise, durable components, to enhance print speed and extend machine life.

Brother's patented MAXIDRIVE print chip utilises a unique dual transformational piezoelectric system that emits ink at high-power.

MAXIDRIVE print chip delivers ultra-fast, durable, premium quality colour printing. Individual ink droplets are provided via 40 micrometer thick film, ejected through 1680 individual chambers across a single print chip.

40μm Piezoelectric element
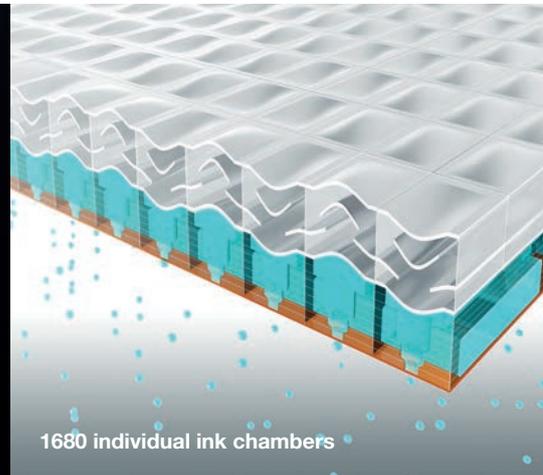

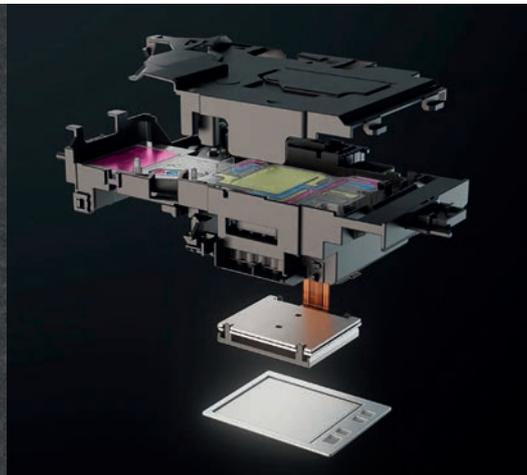

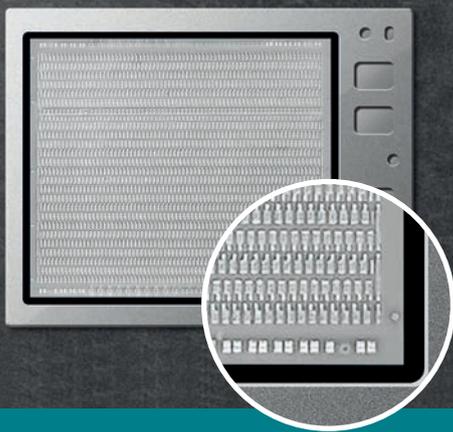

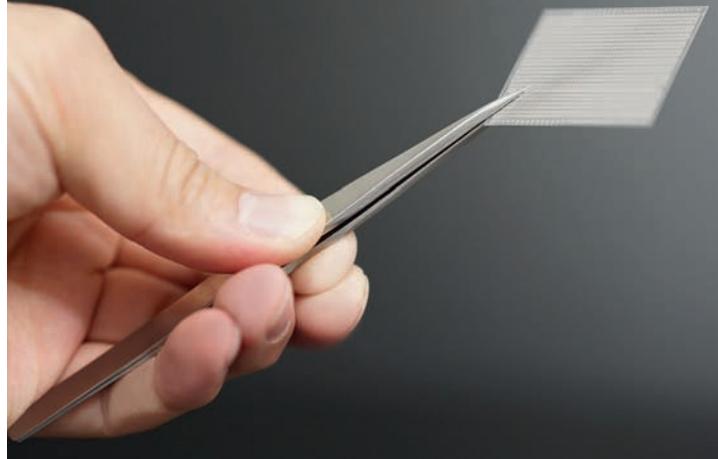

1680 individual ink chambers

Enhanced print quality

Each chip carries 1,680 pressure chambers where ink droplets are discharged.

More durable

Up to 200% more prints in a lifetime. Piezoelectric element engineered to change shape upwards and downwards.Δ

Increased print speed

High speed injection, up to 150% faster with advanced droplet control.Δ, ◊

Δ Compared to Brother conventional model
◊ Only on selected models for colour printing

Versatile A3 devices and perfect for multi-tasking

PRINT **COPY** **SCAN** **FAX** **WIRELESS** **NFC**

Up to 28ipm print speed[1]

Automatic 2-sided A3 print, scan, copy and fax

8.8cm colour touchscreen

Wired and wireless connectivity

2 x 250 sheet paper trays[6]

100 sheet multi-purpose tray[6]

50 sheet 2-sided A3
Automatic Document Feeder (ADF)[6]

NFC (Near-Field Communication) mobile print

Replacement cartridges[7]
High-yield: BK 3000 pages and C/M/Y 1500 pages (LC432XL)
Standard yield: BK/C/M/Y 550 pages (LC432)

MFC-J6940DW

PRINT **COPY** **SCAN** **FAX** **WIRELESS**

Up to 28ipm print speed[1]

Automatic 2-sided A4 print / 1-sided A3 print

1-sided A4 scan, copy and fax

6.8cm colour touchscreen

Wired and wireless connectivity

1 x 250 sheet paper trays[6]

1 sheet manual feed slot

50 sheet 1-sided A4 Automatic Document Feeder (ADF)[6]

Replacement cartridges[7]
High-yield: BK 3000 pages and C/M/Y 1500 pages (LC432XL)
Standard yield: BK/C/M/Y 550 pages (LC432)

New app:
Brother
Mobile Connect

The way we live and work is changing rapidly, and to support the flexibility required, we've launched a new app. Brother Mobile Connect provides intuitive, time saving functionality to fit seamlessly into a busy life. Print from anywhere, manage documents and get discounted genuine supplies all from your mobile device.

DOWNLOAD FOR FREE

Brother's original supplies offer peace of mind and quality guaranteed.

You wouldn't put the wrong fuel in your car, would you? To get the most out of your Brother printer, don't compromise on ink; only Brother genuine ink gives you the perfect print performance every time.

Brother's genuine ink supplies will not only help keep your printer in the best possible condition for unrivaled print quality, they are more consistent than non-genuine supplies.

You will also save money by avoiding the incurring costs for re-prints or dead-on-arrival cartridges, Brother ink helps you get it right first time.

App features

- Effortless print / scan experience

- Send a print job, any time, any place

- No more lost scanned files

- Customisable interface

- Replenish ink cartridges, quickly and easily
