

# DIY Hat

## Material:

- 1 Hat
- 1.5 meter lace (3 roses)
- 30 cm X 30 cm net
- 3 pcs of feather

## Tips

Whether you're new to sewing, or it's a keen hobby for you, the new range of Innov-IS easy to use, computerised sewing machines will inspire you to be creative.

## Roll & Stitch

- Roll the lace as a rose shape, and stitch it.

## Place it

- Now, let's place it on the hat. Hand stitch the net on top of the hat, follow by the 3 roses.

## Cut it

- Cut the 1.5 meter lace into 3, sew a straight line with length 5mm. Pull and adjust the thread, let the lace become gather as picture show.

## Fold & Stitch

- Fold the net into 4, cut it as a donut shape. Hand stitch around the middle hole, do not cut the thread and pull it gently. Sew a few stitches around it to secure the shape.

## Glue & Stick

- Lastly, use hot glue to stick the feather between net and roses.
