

Make someone's day with this stylish greeting card

Use this greeting card to convey your congratulations on a special occasion. The fun array of design elements is the perfect way to express your feelings. Personalise the design with your own special touches!

Materials

- Brother ScanNCut Machine
- Outer dimensions (opened card): 9.94" x 7.01"
- Paper – 9 kinds
- Party cracker: 5.90" x 5.09"
- Large balloon: 2.60" x 1.55"
- Small balloons (2): 1.98" x 1.18"
- Glitter pen, beads, curly ribbon, glue
- Cut vellum backing to appropriate size

Tip These balloon pieces and many other built-in patterns have inner cut-out areas. The color and texture of paper glued to the back of pieces that have such cut-out areas can have a big effect on the final look and feel. Experiment with your favorite materials to create beautiful textures on your projects.

- 1** To make the base card, select and cut a rectangle built-in pattern, then fold at the center.

Built-in Pattern: BA-A012

- 2** Cut the built-in patterns for the balloons and the party cracker. Make three balloons of different sizes.

Built-in Patterns: AR-I032 x 3
AR-I034 (pieces A, B, D, E)

- 3** Glue vellum to the backs of the balloon pieces to create glossy highlights.

- 4** Attach the cut pieces to the base card prepared in step 1. Decorate it with spangles and glitter.

- 5** Give the ribbon a curl by gently pulling it between the ball of your thumb and a scissors blade, then attach the ribbon.

- 6** Use a glitter pen to draw lines in the inner message area and embellish the results.

Congratulations!
Your greeting card is finished.
