# Multifunction colour A4 wireless inkjet printer

The DCP-J1050DW is a stylish, compact device that's perfect for home use. Offering print, copy and scan functionality it has a feature for everyone in your household to enjoy – helping with everything, from homework to colour photographs. Print in vivid colour from anywhere at home with wireless or mobile connectivity and navigate the device easily via the 4.5cm LCD display.

## DCP-J1050DW

### Key Features:

- **Wireless connectivity**
- **Mobile compatible – download app: Brother Mobile Connect**
- **Automatic 2-sided printing**
- **Dust-free enclosed paper tray, holding up to 150 sheets**
- **Print directly onto photograph paper**
- **Print speeds of up to 17ipm mono & 9.5ipm colour**
- **4.5cm LCD display & control panel**

### Smart, stylish, compact

This feature-rich device offers so much for the personal user. A wide range of connectivity options, including mobile compatibility, all housed in this stylish and compact shell. Measuring in at just (w)400mm x (d)343mm x (h)151mm and weighing 6.9kg, it will fit seamlessly into any space around the house.

### Stay connected

You don't need to be nearby the machine to complete tasks. No matter where you are in the house, you can stay connected to your DCP-J1050DW through wireless connectivity. Furthermore, by downloading Brother Mobile Connect you can carry out an array of tasks such as print documents, check ink levels, revisit previously scanned documents and so much more.

### User friendly device, for all

With its 4.5cm LCD colour display and simple-to-use navigation buttons, finding your way around the DCP-J1050DW will be simple for everyone. This device is designed to improve your working processes and enable improved productivity.

## General

### CPU speed

576MHz
